The provider must promote the good health of children attending the setting.

1.7 Sun Protection Policy

Policy statement

At Tolleshunt D'Arcy pre-school we want staff and children to enjoy the sun safely. We will work with the children, parents and staff to achieve this.

Procedures

We will ensure the following:

- We will provide shaded areas for the children in the garden.
- We will provide sun hats for children who do not have their own.
- We will supply drinking water and encourage the children to drink regularly.
- Sunscreen will be available in pre-school for use. We will only apply sunscreen, either your child's own or our own supply, if we have your written consent to do so.
