

06.02a Low level concerns form

Name of setting: TOLLESHUNT D'ARCY PRE-SCHOOL

This form is to share any concern or 'nagging doubt' that a colleague may have acted in a manner that could be described as a 'low level' concern that may not meet the threshold of harm or be considered serious enough to refer to the Local Authority Designated Officer (LADO). A low-level concern may include behaviour that:

- is not consistent with the setting's code of conduct, for example, discriminatory or unsafe working practice or, being subject to a police caution, conviction or investigation that they have not disclosed to the Pre-school Manager.
- relates to conduct outside of work that has caused a sense of unease about their suitability to work with children, for example, behaving in a way that would bring the setting into disrepute

The above examples are not exhaustive. The person who has the concern must speak to the Designated Safeguarding Lead as soon as possible. It is also helpful to document concerns, which can be done using this form and complete it with the Designated Safeguarding Lead. If the concern is about the Designated Safeguarding Lead, please speak to the Designated Safeguarding Officer.

If the concern has been raised through the setting's whistleblowing process, the Designated Safeguarding Lead should complete this form as a record of the concern.
